UN Two China Hope Set Back

UNITED NATIONS, N.Y. — States to support the Italian plan had been viewed as a major shift by Washington toward the two-China idea. But the poor showing Peking made in this year's vote and the lack of support for the Italian proposal was expected to prompt a U.S. reappraisal of a solution it did not relish.

The 62-34 defeat Tuesday of the Italian plan to turn the China problem over to a U.N. study group virtually doomed chances of any two-China formula now, since that was viewed as the goal of the proposed study.

The decision of the United

States to support the Italian plan had been viewed as a major shift by Washington toward the two-China idea. But the poor showing Peking made in this year's vote and the lack of support for the Italian proposal was expected to prompt a U.S. reappraisal of a solution it did not relish.

The decision of the United

States to support the Italian

plan had been viewed as a major

shift by Washington toward the

two-China idea. But the poor

showing Peking made in this

year's vote and the lack of

support for the Italian proposal

was expected to prompt a U.S.

reappraisal of a solution it did

not relish.

The results of the balloting

came as a general surprise.

Peking had been given virtually

no chance of winning a seat

under the two-thirds majority

rule, but few expected it to

emerge 11 votes behind the

Nationalists.

Supporters of Red China

blamed the defeat on Peking's

own attitude, pressure from the

United States and the "quality"

of new African governments.

Eight German seamen were

rescued Tuesday night from a

stricken ship in storm-whipped

Lake Huron off the eastern

Michigan coast. Moments after a

Coast Guard helicopter

plucked the crewmen from the

Nordmeer, a steel-laden vessel

aground since Nov. 19, the ship

broke apart.

Five hundred feet off the

western Michigan coast, at Lu-

dington, 181 persons rode out

the storm for the second night

aboard the stranded car ferry

City of Midland 41. Driven

aground early Monday, the car

ferry awaited arrival of a tug-

boat that left Sturgeon Bay,

Wis., today and headed across

Lake Michigan to pull the ves-

sel off a sandbar.

Rescue Elderly

A rescue force battled through

five-foot snow drifts Tuesday

and evacuated 24 elderly pa-

tients from an infirmary in Ma-

pie City, not far from Luding-

ton. The patients, some as old

as 94, shivered under blankets

for nearly 14 hours after a

storm-caused power failure cut

off their heat, lights and water.

Residents dug out from as

much as 16 inches of snow in

upper Michigan and north-

western lower Michigan. High-

way crews attacked drifts as

high as seven feet. Power com-

pany workmen repaired lines

Goldwater racism denied

strategy and makes this asser-

tion: "Indeed, the conduct of the

campaign and the Nov. 3 elec-

tion results demonstrated that

your campaign never effectively

deviated from the Southern-ru-

ral-white orientation."

Romney said there was "dis-

tressing evidence that this was

part of the strategy," but added

he did not believe Goldwater

had shaped such a plan.

Deal Claimed

"A leading Southern delegate

in a private conversation with

me ... made it clear that there

had been a platform deal that

was a surrender to the Southern

segregationists, contrary to the

entire tradition of the party,"

Romney wrote.

"That's a bunch of baloney,"

said Burch.

Goldwater himself was off on

an Air Force Reserve flight, but

a spokesman said he had

decided against making any

statement on the newly pub-

lished Romney letter.

Its publication in the New

York Times Tuesday produced

this series of events:

—Goldwater cabled Romney,

who is vacationing in Puerto

Rico, asking for permission to

make public the text of the let-

ter — and the letter he wrote

which prompted it.

Letter Leaked

"Leaking the letter piecemeal

as someone obviously is doing

does not serve the best interest

of our party," Goldwater said.

—At about the same time,

Romney's office in Lansing,

Mich., released the text of the

letter. A Romney spokesman

insisted the initial release had

not come from the governor or

"anyone acting in his behalf."

—Goldwater made public his

Dec. 6, 1964, letter to Romney.

"Where were you, George, when

the chips were down and the

going was hard?" it asked.

"Many rank and file Republi-

cans got a bad taste in their

mouths when they saw leaders

of their own party failing to sup-

port a national ticket."

Romney's own presidential

stock is on the rise now, boosted

by his landslide re-election vic-

tory on Nov. 8. But conservative

resistance, stemming from his

1964 posture, could pose a prob-

lem.

Mid-West Digs Out Of Snow; Cold Continues

LUDINGTON, Mich. (AP) —

Destructive arctic winds howled

southward today as Michigan

and other Great Lakes states

dug out from the season's first

major snowstorm.

The Weather Bureau warned

a six-state area from Montana

to northern Nebraska of a cold

wave today as frigid air spread

over the north central states.

Eight German seamen were

rescued Tuesday night from a

stricken ship in storm-whipped

Lake Huron off the eastern

Michigan coast. Moments after a

Coast Guard helicopter

plucked the crewmen from the

Nordmeer, a steel-laden vessel

aground since Nov. 19, the ship

broke apart.

Five hundred feet off the

western Michigan coast, at Lu-

dington, 181 persons rode out

the storm for the second night

aboard the stranded car ferry

City of Midland 41. Driven

aground early Monday, the car

ferry awaited arrival of a tug-

boat that left Sturgeon Bay,

Wis., today and headed across

Lake Michigan to pull the ves-

sel off a sandbar.

Fifth Anniversary Luncheon

UPCAP Will Honor Eight

The Upper Peninsula Committee for Area Progress (UPCAP) will host 150 guests and delegates from throughout the Upper Peninsula at a special fifth anniversary luncheon meeting and program, Monday, Dec. 5, at The Terrace.

The program will feature quarterly reports of progress of current UPCAP projects, citations to eight past and present officers and directors, and a chronology of the history of the regional planning and action agency in its five years of operation in the U. P.

A 24-member delegate body, composed of representatives from 14 of the 15 U. P. counties, the four universities operating

in the region, and the six Community Action Agencies, will meet at 10 a. m. prior to the luncheon program.

Reports to be presented at the morning meeting will include those by Father Louis Cappel, Hubbell, on the Economic Development Administration program; Mrs. Geraldine DeFanti, Marquette, on a new Community Action proposal; Russell Adams, Northern Michigan University, on the UPCAP's Small Business Development Center; Dr. Richard Zabelka, Lake Superior State College, on the on-the-job training program; Probate Judge George Theut, Mackinac County, on legal aid to the indigent; Al Gavzow, Michigan Employment Security Commission at Hancock, on Manpower Programs in the U. P.; and Doctor Claud Bosworth, Northern Michigan University, on the Neighborhood Youth Corps.

UPCAP Executive Director Joseph V. Tuma will report on the UPCAP housing program; Leonard Van Hoven, Kingsford Public Schools, will explain a vocational education project and proposals; and Ray Gummerson, Michigan State University, will report on progress of a recreation and tourism project.

The noon luncheon meeting, with Jean Worth, editor of the

Escanaba Daily Press serving as toastmaster, will highlight UPCAP's progress and programs during the past five years. Worth will also present special plaques to eight officers and directors who have provided the UPCAP organization with its leadership over the past five years.

The UPCAP Executive Committee is composed of Harold Dettman, St. Ignace, chairman; Lynn Sandberg, L'Anse, vice-chairman; Harold J. Vanierberghe, Escanaba, secretary; Fred H. Hahne, Manistiquette; Dr. Claud Bosworth, Marquette, director; and Mrs. Geraldine DeFanti, Marquette, director.

A meeting of the executive committee will follow the noon luncheon and ceremony.

Expect To Pull C&O Carferry Off Bar Today

LUDINGTON (AP) — Hopes rose today that 181 persons aboard the stranded carferry City of Midland 41 could reach port soon.

The tug boat John Purves left Sturgeon Bay, Wis., early today and headed across Lake Michigan to aid the carferry.

The 145-foot Purves was expected to arrive by mid-morning, under orders to pull the carferry off a sandbar at the channel entrance to Ludington Harbor. Its departure from Sturgeon Bay was delayed until gale-force winds and huge waves died down across the lake.

The 128 passengers and 56 crewmen have been stranded aboard the City of Midland 41 since she was driven aground during the storm early Monday.

The vessel was reported in no danger, and a Coast Guard cutter plowed through the choppy channel Tuesday night to deliver fresh meat, bread, eggs and milk to the carferry.

Howling winds prevented the cutter from getting too close to the City of Midland 41. But Coast Guardsmen transferred the food to the ship via a rope slung between the two vessels.

Theodore Winkel, superintendent of Chesapeake & Ohio Railway steamships, owner of the carferry, said the passengers and crew were warm, well-fed and in "absolutely no danger."

Winkel said the carferry had enough fuel to supply heat and electricity for another eight or nine days.

The vessel was en route from Manitowish, Wis., to Ludington, carrying the passengers plus 47 cars and a number of railroad freight cars, when it went aground.

Weather in the area became calmer late Tuesday night and early today, with winds dropping to about 20 miles an hour. Temperatures were in the high 20s overnight.

A number of other persons were stranded in Ludington, awaiting clearance for two other C & O carferries to leave for Wisconsin.

Coast Guard officials said the City of Midland 41 was lying in about 12 feet of water.

Winkel said his telephone lines were jammed today with calls from relatives seeking information about the stranded passengers.

C & O officials, who would not release a passenger list, said a physician and a registered nurse were among the passengers but their services had not been needed.

Gen. Taylor Sees Progress in Viet

ATLANTA, Ga. (AP) — U.S. efforts in Viet Nam, both military and civil, are proceeding well, Gen. Maxwell D. Taylor says, but he adds it may be years before we can withdraw.

On the military front, Taylor former ambassador to South Viet Nam, told 300 persons at Agnes Scott College Tuesday night that enemy losses this year have been estimated at 150,000 from all causes.

Israel Downs Egyptian Jets

DAMASCUS, Syria (AP) — Syria's ruling Baath Socialist party called Tuesday night for the overthrow of Jordan's King Hussein.

Elsewhere in the tense Middle East Israel shot down two Egyptian jet planes and a new exchange of gunfire broke out across the Jordan-Israeli frontier.

The incidents occurred on the 19th anniversary of the United Nations decision to partition Palestine, then under British mandate, to establish the state of Israel.

Syria's rulers, long at odds with the Hashemite monarchy of Jordan, called on "rebellious forces in Jordan" to overthrow the 31-year-old king and "create the necessary climate for the return to Palestine."

The Baathist International Command, highest authority in the party, in a statement later called for establishment of a "national progressive front" in Jordan to overthrow Hussein and wage a Palestine liberation battle.

Britain To Seek UN Sanctions Against Rhodesia

LONDON (AP) — The British government plans to ask the United Nations this weekend for compulsory economic sanctions against Rhodesia if Prime Minister Ian Smith doesn't come to terms by then, government sources reported.

The sources said Prime Minister Harold Wilson apparently hopes the threat of such a request to the Security Council will prompt Smith to accept a settlement of the year-old rebellion by the African territory's white minority.

Wilson won Cabinet approval of the request Tuesday and told the House of Commons the U.N. action would be in effect before Christmas. U.N. approval of sanctions is considered certain since the General Assembly earlier this month voted overwhelmingly for Britain to use force, if necessary, to end the rebellion.

Births

PETERSEN — Mr. and Mrs. Gerald J. Petersen of Bark River Rd. 1 are the parents of a daughter, Renee Elizabeth, weighing 6 pounds and 10 ounces born at 3:53 p. m. on Nov. 28. Mrs. Petersen is the former Catherine Terrien.

Starts Thursday

Dairy Feeding Course Offered

Dairy farmers in the Delta County area will have an opportunity to get the latest information about dairy feeding practices in a short course to be held at Fleetwood Inn, Spalding, on Dec. 6, 7, and 15. The three meeting days will start at 10 a. m., EST, and close at 3 p. m. Luncheon will be available at noon.

Dr. Donald Hillman of Michigan State University will conduct the series set up for Menominee, Delta and Dickinson counties. Hillman emphasizes that attention will be focused on feed problems typical of Upper Peninsula conditions.

Upper Peninsula Extension agents say that income from U. P. dairy enterprise amounts to some \$13 million a year. This is more than half of the total agricultural income for the area. It is estimated that net farm income can be increased by \$30 to \$50 per cow on most farms by making the right decisions at the right time.

"Dairymen planning to make a living by operating a dairy farm should attend these meetings," suggests J. L. Heirman, Delta County Extension director.

Over 100 Million Tons Of Cargo Go Down Sault Locks

SAULT STE. MARIE, Ont. (AP) — Great Lakes vessels this year have carried more than 100 million tons of cargo through the American and Canadian locks at Sault Ste. Marie.

A spokesman for the U.S. Army Corps of Engineers, responsible for the U.S. locks, said total cargo as of Sunday was 100,006,000 tons.

The record for cargo passing through the locks in a single year was 138 million tons in 1963. The last time the figure exceeded 100 million tons was in 1967.

Meanwhile, the U.S. freighter Cliffs Victory, owned by Cleveland Cliffs Iron Co., set a record during the week with its 51st round trip, or 102nd passage, through the locks. The same vessel held the previous single-season record of 50 round trips.

The three U.S. locks, which handle 90 per cent of all shipping between St. Mary's River and Lake Superior, are scheduled to close in mid-December.

Social

Gladia Society
The Upper Peninsula of Michigan Gladia Society will hold their Christmas party at the Delta Supper Club, Thursday, Dec. 8. Dinner will be served at 6:30 p. m. Members are reminded to bring gifts for the gift exchange. All reservations must be in by Saturday, Dec. 3rd. For reservations call HO 6-7478.

Like Strawberries?

Chemical Wood Heightens Flavor

Cliffs Dow Chemical Co. plant at Marquette, the only wood chemical operation left in the United States, produces charcoal briquets for your barbecue—and a by-product called Maltol which helps put zip in Strawberry Jello flavor and peps up the flavor of Whip 'n Chill.

The amazing story of Cliffs Dow Chemicals was told to the Rotary Club at its luncheon meeting at the House of Ludington Tuesday noon.

The speaker was Eugene Cole, Marquette, Cliffs Dow research chemist, with Richard Hammerschmidt, in charge of the firm's wood procurement, a guest of the club. They were introduced by John Trotter, program chairman, and the meeting was conducted by Isadore Stein, club president.

Wood Carbonized

Another guest at the meeting was Irvin Sviland of Escanaba, who designed and built some of the machines used in cutting wood for the chemical industry. He is a brother of Dale Sviland, Rotarian.

Originally built as a charcoal iron plant back in 1903, that operation ended in 1931 at Marquette and Dow Chemical bought into the firm in 1935 and it became the Cliffs Dow Chemical Co., Cole explained.

The plant occupies a 20 acre site on the shore of Lake Superior. Between 60,000 and 70,000 cords of hardwood—largely birch, beech, oak and elm—comes from all parts of the Upper Peninsula each year for processing.

The wood is cut into pieces, loaded into metal "buggies" and is then rolled on a track into large steel retorts, where temperatures up to 900 degrees reduce the green hardwood to charcoal.

Briquets And Jello

The charcoal is then processed into briquettes for use in charcoal broiling those steaks and chops at summertime patio parties. The charcoal is ground

Orphanage Bays Safe From Fire

HOPEWELL TOWNSHIP, N.J. (AP) — More than 100 boys were safely evacuated at 7:30 a. m. today when a fire broke out in the main building of St. Michael's Orphanage.

There were no injuries, authorities said. The youngsters were eating breakfast on the main floor when the fire erupted in an employee's sleeping quarters on the fourth floor.

into fine particles, mixed thoroughly with corn starch and water, and then is pressed into the familiar briquet shape. Sacked and ready for market, much of its goes into warehouses for summer sales so the plant can be operated the year around.

Fumes that come from the charring wood in the retort are distilled to extract a number of chemicals important to a variety of industries. For example, from the wood tars comes a product named Maltol — and Cliffs Dow supplies the food industry with one-half ton of Maltol a week to help flavor such products as strawberry Jello and Whip 'n Chill.

"Ours is the only wood chemical plant left in the nation," said Cole. "Continuing research is one of the major elements of our success."

Mid-West Digs Out Of Snow; Cold Continues

(Continued from Page 1)

through the night, restoring electricity to areas in which more than 10,000 persons lost power for varying periods of time.

In Cleveland, Ohio, at the edge of Lake Erie, 10 persons died Tuesday from apparent heart attacks while shoveling snow.

The temperature fell below zero in Montana and along the nation's northwest border.

Airline Hampered
At Salt Lake City, Utah, thick fog forced airlines to reroute planes.

The dramatic rescue of the Nordmeer's crewmen off Alpena, Mich., took only 28 minutes. For 12 hours before that, the ship's captain, Ernst-George Steinbeck, and seven of his crewmen bore the brunt of winds that gusted to 80 knots — full gale force — as they sent out SOS signals.

At Ludington, the carferry was reported out of danger during the storm, although the winds prevented vessels from taking off the passengers.

A Coast Guard cutter delivered fresh food to the carferry Tuesday night, transferring the provisions on a line hung between the two ships.

WAKE UP RARIN' TO GO

Without Napping Backache
Now! You can often get the fast relief you need from napping backache, headache and muscular aches and pains that may cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain you want relief — want it fast! Don's Pills by their speedy pain-relieving action work promptly to ease torment of napping backache, headache and muscular aches and pains.

Also, when mild bladder irritation follows unwise eating or drinking—often setting up a restless, uncomfortable feeling—Don's Pills work in two ways for comforting relief: 1) their soothing effect on bladder irritation; 2) Don's mild diuretic action through the kidneys leading to increased output of the 15 million of kidney tubes.

Enjoy a good night's sleep and the same happy relief millions have for over 60 years. For convenience ask for Don's large size. Get Don's Pills today! Adv.

John Norton Dies Tuesday

GLADSTONE — John B. Norton, 87, died Tuesday at 11:15 p. m. at the Delta Nursing Home where he had been a patient for the past two and a half years.

Mr. Norton was born June 10, 1879, in Escanaba and was a resident of Gladstone for the past 62 years.

His wife, Louise, died in 1964. He was a member of All Saints Church.

Surviving is a daughter, Mrs. Joseph (Grace) Casimir of Rapid River; two sons, John and Raymond of Gladstone; four grandchildren, two great grandchildren and a brother, Patrick, of Niagara Falls, Ontario, Canada.

Mr. Norton was employed by the Northwest Co. for many years ago and worked for the Delta County Road Commission in later years, retiring 17 years ago.

Friends may call at the Skradaki Funeral Home beginning at 3 Thursday. The service will be held at 8 p. m. Thursday. Funeral services will be at 9 a. m. Friday from All Saints Church with Mgr. Math LaViolette officiating. Burial will be in the family lot in Fernwood Cemetery.

Advent Service At Immanuel

The first in a series of Advent services at the Immanuel Church will be held beginning at 7:30 tonight. The theme will be "Commercialism and Christmas." There also will be Communion offered at this service and this will be the last Communion for 1966.

Members are advised to enter the Church by either the back or side entrance near the new parking lot due to the blocking of the front door by a 10 ft. snow drift.

Upper Peninsula Consolidates

Over Fifty School Changes In 3 Years

The effort to consolidate school districts in the Upper Peninsula isn't finished yet, but the considerable strides that it has made are revealed in a report of George H. Stewart, educational consultant of the Michigan Department of Education.

There have been more than 50 changes affecting Upper Peninsula School Districts in the past three years.

So far Amasa High School and Vulcan High School have disappeared, the first merged into Crystal Falls High School and the second into Norway.

No Upper Peninsula county has been without a school consolidation of some kind or organization of an Intermediate School District in the past three years. The process of making bigger school districts out of little ones is aimed at improvement of schooling by making more tax resources available to the schools and improving their program of studies, which is impossible in the tiny high schools.

East U.P. Reforms

The 1964 changes:
Deerborn, Alger County, annexed to AuTrain.

Mackinac County Intermediate School District joined Chippewa and Luce in the Upper Peninsula Intermediate School District.

The 1965 changes:
Chippewa No. 2 annexed to Brimley and Dafter 4 to Rudyard in Chippewa County.

Ingallston 6 annexed to Stephenson and Menominee 7 to Menominee in Menominee County.

Franklin 2 annexed to Hancock in Houghton County.

Menominee 1 annexed to Menominee.

Sugar Island annexed to Sault Ste. Marie in Chippewa County.

Keweenaw Intermediate School District annexed to Houghton-Baraga Intermediate District.

Western Consolidation
Ontonagon and Gogebic Intermediate School Districts consolidated.

Felch, Breen Township and Sagola Township consolidated to form North Dickinson Schools in Dickinson County.

The 1966 changes:
Michigan Township School District annexed to Republican Central District in Marquette County.

Rescue 8 From Stricken Ship

ALPENA, Mich. (AP) — An unexpected pause in a gale-force snow squall gave a Coast Guard helicopter time to pluck eight German seamen from a stranded ship moments before she broke up in storm-whipped Lake Huron late Tuesday.

The squall closed in again shortly after the last man had been pulled off the Nordmeer, a steel-laden German freighter aground since Nov. 19 on Thunder Bay Shoal.

"God was real nice to us," said Lt. Jack Rittichier of Barberton, Ohio, copilot on the helicopter. "The storm broke as we moved in. All of a sudden things cleared up. As soon as the last man was picked up, it began to snow again."

The rescue took 28 minutes. For 12 hours before that, the Nordmeer's master, Captain Ernst-George Steinbeck, and seven of his crewmen had borne the brunt of 35 to 40 knot winds, at times gusting to 60 knots along the shoal 12 miles east of Alpena.

The helicopter was piloted by Lt. Lonnie Mixon, of Mobile, Ala. Aviation Mechanic 2.C. David C. Noffitz of Joliet, Ill., was the other crew member.

Honor Adm. Voge

BOSTON (AP) — The destroyer escort Voge, commissioned recently and equipped with the latest antisubmarine equipment, is named in honor of the late Rear Adm. Richard G. Voge, who retired in 1946 after a career aboard destroyers, cruisers and submarines.

Chips And Splinters

Contributions To Chips Welcomed

Coeds Julie Ford of Grand Rapids and Elaine Reed, flying back to Marquette to resume classes at Northern Michigan University after the Thanksgiving holiday got as far as Escanaba on North Central's night flight Monday night.

Julie is the daughter of State Rep. Thomas G. Ford, (R-91st District) the president of the Ford Paint & Varnish Co.

The coeds were practicing their hitch-hike thumbs in the House of Ludington Tuesday, wondering how to get to Marquette when Pat Hayes said "Bishop Noa and Father Ouellette are orphans of the storm, too, and they're riding back to Marquette today."

So they took the coeds.

Heidelberg, Germany's oldest university, was founded in 1386.

How To Spoil Christmas

Try Arrest For Shoplifting

Want to spoil Christmas? Nobody deliberately sets out to do it, but it happens to some people.

One of the surest ways to ruin your Christmas is to try shoplifting.

The chances are good that you'll be caught. There are about 30 cases of shoplifting in Escanaba every year that come to the point of arrest by police and trial, or referral to the juvenile court with the parents called in to join the proceedings.

Shoplifting is commonplace in America. It has grown to such volume that the merchants' losses of more than \$2 billion a year are passed along to buyers and raise the cost of goods all along the line.

Escanaba Police Chief Harold Finman says that the kleptomaniacs and professional

shoplifters account for only a tiny part of shoplifting losses. National studies show that the biggest offenders are housewives, teen agers and store employees.

American retail merchandising has grown great on such gimmicks as impulse buying. The shopper sees an item, likes it and buys it. She only has to take it off the rack, check it out and pay for it.

Unfortunately the system has brought a wave of impulse stealing. There has never been as much opportunity to shoplift as in today's self-serve stores. And although shoplifting detection devices are better than ever, shoplifting is the fastest growing form of larceny in the United States.

Stores which once said they didn't want to offend customers now used armed guards.

It has been possible for some people to regard shoplifting as a sort of "game" and not stealing. But when arrest results and they are brought into court just like the persons who steal automobiles and other things the humiliation is devastating.

The way to prevent it, say the police, is to avoid it. Don't yield to "impulse stealing." The law doesn't treat it with any special kindness. It punishes theft and an article is just as missing when taken on impulse as when taken deliberately.

The widespread observance of Jan. 1 as the start of the new year stems from Imperial Rome. Julius Caesar chose the date as the first day of the Roman year when he initiated the Julian calendar.

Michigan Week

LANSING (AP) — Gorton Rietzhammer, president of Olivet College, will be 1967 chairman of the 60-member state committee directing Michigan Week in the schools. His appointment has been announced by Harding Mott, program chairman of the 14th annual Michigan Week, May 21-27.

Changes About Us

Conservation is changing right under our noses. The usual view of conservation change is that man — as the strongest element in the ecology (environment) — is lousing up his own world by filling the air with gases from internal combustion motors, and the rivers with his sewage, and the countryside with his buildings, highways and dumps. As the population increases in this country (at the rate of 8,000 a day) the pressure on our natural resources — our clean air, our clean waters, our wildlife in the wildlands, our breathing space — increases too and a strong effort is necessary to protect them from spoliation.

Essentially the conservation problem is the problem of change, the means of solution is the ability to change with changing conditions.

One of the indications of great change in conservation is the Michigan Conservation Commission's plan to request the Legislature to give it authority to regulate sport fishing as well as commercial fishing and to give it the authority to restrict the number of commercial fishermen.

When the first white men came into the Great Lakes they found them full of fish. Fish was a bigger part of Indian diet than game. The white men never regarded the Great Lakes as a sport fishery; it was a commercial fishery until it expired as such with the exhaustion of the fish.

Now the fishery is being restored with the expenditure of tax and fishing license fee monies. But the State Conservation Commission isn't proposing to open it up again to the old order of an unlimited commercial fishery with a license for every commercial fisherman who has the license fee. That would be impossible with modern conditions of new techniques of discovery and harvest. Instead we'll have what's known as "limited entry" fishing, the allocation of only enough licenses to manage the fishery and harvest the fish that won't be caught by sports fishermen.

This is a new era of conservation with the harvest attuned to new conditions of the fishery and fishing.

Another new condition in conservation is also revolutionary. It is the changing regard for the state's resources. In the early part of the deer hunting season just past the Escanaba District of the Conservation Department (Marquette and Delta counties and the west half of Alger) got 80 telephone tips from persons about deer killing.

There had never been such a large number. And these weren't crank calls from crackpots. They were calls with specific information for conservation officers. The Delta County area was reported "outstanding" in its cooperation.

John Anguim, in charge of the state's conservation law enforcement activities, has suggested for a long time that the state cannot possibly police poaching if the public has no interest in its game and fish. The public is showing increasing evidence that it does have such an interest. It is chucking the old attitude that it's the state's job to find out who's stealing the public's deer. It's estimated that in some areas the illegal kill has equalled the legal kill.

Oswald: "The ordinary declarer will go right after hearts. If hearts go three times he will get his club discard but East is able to ruff the third heart and get a club trick."

Jim: "The expert declarer who sat South also went after hearts but he used a little deception. He played his ace of hearts and led the seven to dummy's king. Then he led back the jack from dummy."

Oswald: "Put yourself in East's place. Does he know that South holds the queen of hearts? Doesn't it look as if South started with a doubleton heart and intends to ruff the jack? East is likely to figure that there is no reason for him to waste his queen of trumps here."

Jim: "Right. This East discarded South took his queen. Returned to dummy with the ace of diamonds and discarded his club on the fourth heart. The deception had succeeded."

Oswald: "It certainly does. South finds himself in a good four spade contract. Against anything but a club opening, it depends on a 3-2 trump break because South will be able to discard one club on dummy's fourth heart and wind up losing one trick each in spades, diamonds and clubs."

Jim: "The club opening makes things tougher. West's queen of clubs is allowed to hold the first trick and South wins the second with the ace. He plays the ace and king of

trumps. After both opponents follow, he will lose only one trump and one diamond in addition to the club that has already gone to the defense."

1967 Promises fireworks

Car Insurance Abuse Eyed

By TOM NOLAN
WASHINGTON (NEA) — In the 90th Congress 1967 may be the Year of the Big Insurance Explosion.

Only the high-risk segment of the auto insurance industry was exposed to the glare of a Senate investigation in 1966. But behind-the-scenes inquiries have already been launched into a number of alleged abuses in other aspects of auto insurance and several segments of life and health insurance.

Some of them are likely to become full-scale investigations next year.

The first act in the drama will begin Jan. 10, when Senator Thomas Dodd, (D-Conn.), reintroduces his bill to establish a Federal Motor Vehicle Insurance Guaranty Corporation, co-sponsored by Senators Joseph Clark, (D-Pa.), Philip Hart, (D-Mich.), and Warren Magnuson, (D-Wash.).

Designed to protect those victimized when their auto insurance firms go broke, the proposed guaranty insurance system would be set up along the lines of the Federal Deposit Insurance Corporation, which protects the depositors against failures by banks and savings and loan associations.

Introduced just before adjournment, Dodd's bill stems from the high-risk investigation carried out by Hart's Antitrust and Monopoly Subcommittee.

Since 1960, this investigation showed, 65 high-risk companies went into receivership, leaving more than 250,000 people without insurance and costing accident victims more than \$100 million in claims which could not be collected.

Dodd's bill would require all interstate insurers—not just high-risk firms—to apply for guaranty system status one year after passage of the legislation. Failure to prove financial stability would mean a firm could not continue to do business on an interstate basis. The federal guaranty corporation.

People, Events Of Yesteryears

From the files of the Escanaba Daily Press

35 Years Ago

North Escanaba Recreation Center, located in the basement of Webster School, will officially open tomorrow. The program will consist of gym activities for boys, girls and adults; table games, arts and crafts and shop.

The board of directors of the Escanaba Chamber of Commerce has considered various suggestions for activities for the organization and has approved the program of work for the fiscal year.

50 Years Ago

An unusually attractive Thanksgiving service was held at St. Stephen's Episcopal Church on Thanksgiving Day. A musical program that included a solo vocal by Joseph Ferte, director of the choir, was given. In closing, a short address was given by Rev. W. J. Dutton.

A number of Escanaba football fans are expected to go to the Twin Cities this weekend to see the annual football game between Marinette and Menominee. Intense rivalry exists between the two cities and the game is expected to be a thriller.

ation would settle all pending claims against any guaranty-status firm which went broke. The corporation would be financed initially by a \$50 million Treasury loan.

Permanent financing would come through a semiannual charge of one-eighth of one percent of each insurer's net direct premium writing. Passed on to the consumer, it would mean a hike of 25 cents on a \$100 insurance premium.

It is virtually certain that Dodd's proposal will meet the unified opposition of the entire insurance industry, just as the FDIC proposal earlier aroused the unified wrath of bankers.

The industry has been able to stave off Washington's hand for more than a century. But to insurance officials, the presence of Hart and Magnuson as co-sponsors of the measure is an ominous sign.

Magnuson's Commerce Committee—where Dodd's bill will be referred—is noted as one of the Senate's best "legislation producers." In 1966, among others, it produced the Truth in Packaging, Auto Safety and Tire Safety laws.

Hart's subcommittee, on the other hand, is known as a good investigative group. Some other insurance areas it has been quietly probing recently: Credit Life Insurance. This

Neutrality A Fraud

By RAY CROMLEY

ON THE CAMBODIAN BORDER, South Viet Nam (NEA)—The bridges were new. So were the roads. They led from Cambodia into South Viet Nam.

On the ground, it's possible on moonless nights to sneak in and watch these roads and bridges being built. They're usually impossible to spot from the air.

There's one Cambodia-Viet Nam trail used regularly by the Viet Cong, however, that you can see a few minutes each day if you fly exactly the right course, at the right height at exactly the right time of day. If you fly the reverse direction you can't see it.

Movement on these routes has been heavy the past few months.

It's facts like these that make it difficult for Vietnamese here to understand how some U. S. officials in Washington call Cambodia "neutral."

A hundred miles or so south of here, where this reporter was a week ago, the woods are thinner and you can see farther. A man can stand a few miles from the border almost any clear night and watch the Viet Cong signal lights on innumerable small boats moving into South Viet Nam across the Cambodian border.

If you hide yourself well enough the night before near a waterway, you can watch their boats go by the next morning. You see well-organized convoys, armed with rifles and machine guns, some carrying supplies, some men. They wear haphazard uniforms, but standard hats, and come across in well-organized groups. They ride close to the banks so they're hard to see. A small boat usually rides out in front as a point. Every fifth to 10th boat is a security unit.

The Viet Cong had grown careless for awhile. But not long ago, a group of Viet Cong officers across the way in Cambodia were caught up short.

The Cambodian government had just sent word that VC and North Vietnamese troops in Cambodia didn't do a better job at keeping their presence secret they'd give the game away and cause American and Vietnamese troops to attack into Cambodia.

The Cambodian officials said they would continue giving the Reds sanctuary and would keep on supplying quantities of rice, medicines and other supplies, but that the VC and North Vietnamese troops in return must co-operate by improving their security.

The Doctor Says: Grandparents Have No Spoiling Right

By Dr. Wayne G. Brandel

Q—What can be done for a ruptured ear drum? What symptoms does it cause?

A—An ear drum may be ruptured by poking it with a sharp object, by a very loud noise, or by an acute infection in the middle ear. In the latter case an ear doctor usually makes an incision in the drum to allow drainage. Ringing in the ear and partial hearing loss are the usual symptoms.

When no infection is present and the rupture is small it is essential to keep water out of the ear and to use no ear drops. Complete healing is the rule. If there is a discharge from the ear, antibiotics are given by mouth and the ear canal is gently cleaned by a doctor. Again, complete healing is the rule.

If a large opening in the ear drum fails to close, the victim may choose to live with it if he is willing to avoid swimming and to protect his ear from infection. Recurrent infections will increase the degree of deafness.

If the victim is a child or a swimmer, an operation to cover the opening may be advisable. This operation will not, however, restore any hearing that has already been lost.

Q—I have been troubled with fungus in my ear for several years. What is the best treatment for this?

A—These infections can usually be cleared up by instilling an alcoholic solution of crystal violet, salicylic acid or bichloride of mercury in the ear. The strength of the solution should be determined by your ear doctor. It may be necessary to try different drugs before you find one to which your fungus is susceptible.

What causes the legs to cramp at night and what is the best treatment?

A—Most people have cramps at times. There are several possible causes. Such cramps are common during pregnancy. They may also be associated with diabetes, multiple sclerosis, varicose veins, calcium deficiency and flat feet. Effective treatment begins with removal of the cause if it can be found.

For immediate treatment massage the cramped muscle, apply an icebag or walk around. For prevention several drugs under each of the following categories are available: calcium preparations, muscle relaxants, quinine preparations, nerve-blocking agents, sedatives, tranquilizers and blood vessel dilators. As is so often the case where dozens of drugs are recommended, none can be guaranteed to give satisfactory results.

Dear Ann Landers: The best way I know to get a vital message across to millions of people is to write to Ann Landers. Here it is — an open letter to grandparents:

Why, oh why, don't you treat your grandchildren the way you treated your own children when they were growing up? Did you stuff your own youngsters with ice cream, candy and popcorn? Did you let them stay up beyond their normal bedtime just to have a little extra fun? Did you let your own kids talk back to you? Did you make excuses for them when they misbehaved? Did you laugh at their bad manners and call it cute? Why, then, do you do this to your grandchildren?

We — the parents — have to undo all your spoiling when we take our children home from your place — or after you leave our place. Please give your grandchildren a break. Stick to the rules their parents have set up for them.

And please don't take your grandchild's side against his mother and dad. We have enough trouble raising kids to-day. Thank you very much — BATTLE WEARY PETITIONER

Dear Petitioner: Some grandparents rationalize their permissiveness by telling themselves they are not going to train their grandchildren — that they simply want to enjoy them.

This of course is fourth-rate reasoning. Grandparents undermine their children's hard work when they let their grandchildren get away with a lot of nonsense. And please don't say, "wait till you have grandchildren of your own." I have grandchildren of my own and I'm a pretty tough of cookie.

Dear Ann Landers: I'm a 17-year-old high school senior who read in a magazine that \$10 a month will support an abandoned Korean child. The magazine piece said the child's case history will be sent and the child will write to his adoptive parents.

I have a fairly generous allowance and I do baby-sitting weekends. Would I qualify even though I am only 17? Please tell me where to write if I am eligible. Thank you. — WANT TO HELP

Dear Want To: Whenever I hear someone putting down today's teen-agers, I like to haul out a letter like yours and show them how wrong they are.

More people get more news from newspapers than from all other sources combined.

Serve 363 Years:

Eight Railroad Employees Retire

Eight Chicago & North Western employees with total service of near 363 years with the company have announced their retirements, company officials said today.

They are Oscar W. Olson, Bay View, scale inspector; Ralph J. Kennelly, 315 N. 18th St., carpenter; Henry Moreau, Lake Shore Dr., store dept.; Clement J. Rivard, 1408 Lake Shore Dr., freight car welder; William L. (Happy) Ettenhofer, 321 N. 12th St., freight car repairman; Clinton Priestler, 505 S. 10th St., freight car repair mill machine operator; Edwin T. Anderson, 1418 1st Ave. S., freight car repairman, and Axel E. Erickson, 221 N. 12th St., freight car repairman.

All except Rivard, who retired Nov. 25, will retire today.

Priester, 67, has over 51 years of employment with the Chicago & North Western. Born Dec. 17, 1898, he has been working since Oct. 1, 1915. He plans to keep busy gardening and doing carpentry work.

Olson, who was 65 last Oct. 11, started with the C&NW April 26, 1926, as a carpenter's helper. He was promoted to carpenter in 1932 and later to a scale inspector. He plans to travel and garden.

Plans To Fish
Kennelly, 66, was born Feb. 8, 1900, and started work July 9, 1918, working in various jobs as a carpenter and carpenter's helper.

Moreau, who will be 65 Thursday, has been employed in the store dept. since March 2, 1920, and retired as a motor truck operator. He estimates he has 46 years, 11 months with the company, counting time he worked on the section crew before joining the store department. He enjoys fishing, gardening and traveling.

Rivard, 67, was born Oct. 17, 1899 and started work July 20, 1918 when he was 18 years old. In his 48 years of employment, he has worked on the ore dock, as a carpenter and in the power dept. as a blacksmith in addition to repairing freight cars. In retirement, he plans to hunt, fish and travel.

Ettenhofer, who is active in the Eagles club and as a gardener, was born March 3, 1900 and has worked for the C&NW since Sept. 2, 1926. He resides at 321 N. 12th St.

Anderson, 65, has continuous service with the company since Oct. 2, 1922. He is known among friends for his love of sports.

Oldest Of Group
Erickson, 69, is the oldest of the group to retire and is just four months short of 50 years employment with the company. He started work March 15, 1917. In retirement, he plans to spend much time fishing and gardening.

Railroad officials said the reason for so many retirements at this time was a new law passed by Congress which will add about \$70 to monthly retirement benefits.

Austin B. Grant of Salisbury, England, was the first drummer in The Salvation Army.

Henry Rogers Taken By Death

Henry E. Rogers, 62, of the Chemical Plant location died at 6 a. m. Tuesday at St. Francis Hospital where he had been a patient for the past nine days.

He was born Jan. 25, 1904 in Manistique and had resided in Escanaba for the past 15 years. He was employed by the Operating Engineers as a heavy equipment operator. Mr. Rogers was a member of the International Union of Operating Engineers 324.

Surviving are his widow, Mae; five sons, Calvin L. Rogers of Mackinac Island, Floyd Camps of Houghton, Harvey Rogers, Anchorage, Alaska, John H. Rogers of Wells and Garfield R. Rogers of Chemical Plant Location; 11 grandchildren; one sister, Mrs. Lelah Fouts of Costa Mesa, Calif. and one brother, William Rogers of Nahma.

Friends may call at the Anderson Funeral Home from 4 to 9 p. m. Thursday and complete funeral services will be conducted at 1:30 p. m. Friday at the funeral home with Rev. Walfrid E. Nelson officiating. Burial will be in Lakeview Cemetery.

Hospital

Mrs. Florence Desmond of 218 N. 19th St., is a medical patient at St. Francis Hospital, where she is in Room 226.

MEMBERS OF THE costume committee for Players de Noc production of "The Music Man" examine an old dress loaned for the production. They are, from left, Mrs. Edward O'Leary, Brother Christopher, Mrs. James Wren and Brother Anthony. (Daily Press Photo)

'Music Man' Gets Costuming Help

Residents of Escanaba have responded strongly to the call of the costume committee for Players de Noc production of "The Music Man" with remnants from the past.

Mrs. Edward O'Leary, 303 Stephenson Ave., is general chairman of the committee, assisted by Brothers Christopher and Anthony from the Holy Name high school faculty, Mrs. James Wren, 1227 Lake Shore Dr., and Mrs. Ron Lankford, 2519 S. 22nd St.

"Remember the old trunk and boxes in Grandma's attic that were full of fascinating clothes?" asked Mrs. O'Leary. "Well, that's the way we on the costume committee feel. The folks of Escanaba remember those attics and what's in them and have come to our aid."

"Neighbors around 1227 Lake Shore probably wonder what goes on at Wren's house, people coming and going almost every day with arms full of clothes. That's our costume headquarters. It looked like a rummage sale."

Brother Christopher coordinated men's costumes, while Jean Lakeford worked on children's dress and Alice Wren women's clothing.

"The Music Man" will be produced in the Escanaba Area high school auditorium next week with performances at 8 p. m. Monday, Tuesday, Thursday and Saturday. Tickets are still available.

War On Poverty Loans To Farmers Maximum \$3,500

An Economic Opportunity Act amendment increases from \$2,500 to \$3,500 the maximum war-on-poverty loans that the U.S. Department of Agriculture's Farmers Home Administration can make to individual farmers or other rural residents. The amendment also authorizes additional credit to borrowers so long as their total outstanding indebtedness for an economic opportunity loan does not exceed \$3,500.

Since this OEO rural loan program started in January, 1965, the FHA through June 30 extended credit totaling \$46 million to over 28,000 families.

Little Worried

LONDON (AP) — Farmworker Bob Brewis roared with laughter when the doctor told him he was Britain's first recorded case of a human being with foot and mouth disease. "My only worry was that I might have to be destroyed," cracked burly Bob.

Diabetes Tests Are Continued

Dr. Mary Cretens, director of the Delta-Menominee District Health Department, announced today that the diabetes screening program will be continued the first week of every month.

Tests will be administered any day of the first week from 9 a. m. to 4:45 p. m., except for the noon to 1 p. m., lunch hour.

"The response to the screening program has been very satisfactory," she said. "The program is for everyone over 30 years of age and those of any age who have a history of diabetes in the family."

Persons wishing to have the test should eat a full meal about two hours before coming in for the test, Dr. Cretens said. Test involves taking only a few drops of blood from a finger tip.

Anyone having the test during the week of Dec. 1-7 will be notified before the end of the month if the test is abnormal, she said. Whenever screening test results are abnormal, the person will be referred to the family physician for further tests.

Tests by the Health Department are administered free. Details are available by calling the Health Department at 786-4111.

Molin Using Romney Plan To Win Wisconsin Voters

By RICHARD BRADDEE
(Milwaukee Sentinel)

The strategy that Gov. George Romney used to swing Michigan into the Republican column on election day will be applied to the Milwaukee county Republican party by a young professional named Keith Molin.

Molin, 29, worked for the Republican state central committee of Michigan for five years before he was hired this month as the GOP executive secretary in the county. A big part of his job will be to build on Gov. Warren Knowles' appeal to urban voters in Wisconsin as the Michigan GOP did with Romney.

He calls himself "organization oriented," rather than candidate oriented. He says that the type of precinct work he is undertaking in Milwaukee is important to the 1968 presidential nominee of the Republican party, whoever he may be.

"We know that 1968 may just well be a horse race, rather than an exercise in futility," he said. "It is incumbent on each state and each metropolitan Republican organization to perform at maximum effectiveness if we are going to win."

Early Start for '68
The immediate task assigned to Molin was directing Milwaukee county's "Move Ways to Win" program which will require recruitment of about 1,000 volunteers to hunt for Republican voters in the 200 target precincts in Milwaukee county.

"It is as difficult to get people enthusiastic about organization work as it is easy to get them enthusiastic about candidates," he said. "That's one reason we are starting about 23 months before the election."

Molin said that he was aware of that problem in Milwaukee before he took the job here and that he thinks he can convince candidate followers to work for the party.

Knowles' campaign organization will be one of the tar-

KEITH MOLIN, the son of Mrs. Ellen Molin of Escanaba, graduated from Escanaba High School in 1955, worked for American Oil Co. after graduating from Northern Michigan University, and came to the U. P. in 1965 as 11th District coordinator for the Republican State Central Committee.

gets for party recruits. Molin said that he would be looking for people younger than party regulars, more attuned to fundamentals in politics and "more willing to go out and pound the pavement."

In Michigan, Molin's job was to win Democrats and independents who voted for Romney over the rest of the Republican ticket. The transformation of the party under Romney, which was resisted by some members of the old guard, has been virtually completed.

The GOP concentrated on identifying Romney voters, bringing Romney men into the state party organization and closing in on the Democrats in such Democratic strongholds as Detroit.

Molin says that it will take a minimum of two years to complete the Move Ways to

Win program in the 200 target precincts.

In Michigan, Romney carried Wayne county (Detroit) this year and other Republican candidates came within a few percentage points of carrying it.

Although Molin says that his job is to "build a machine, if you will," regardless of "who ultimately becomes the boss," he concedes that the job will be easier in urban areas with moderate candidates and issues.

Looking for Winner
The 1968 election, he says, did much to heal the split between conservatives, moderates and liberals in the Republican party. Winners were "pragmatic Republicans" and indications are that 1968 national convention delegates will be "looking for someone who can win."

"The party learned a lesson in 1964," he said, referring to Sen. Barry Goldwater's appeal to convention delegates and party regulars and his failure to capture independent votes on election day.

Molin, a native of Escanaba, Mich., is a 1961 graduate of Northern Michigan University. He was married in January and lived in Dearborn Heights, Mich., before accepting the Milwaukee job.

Rock

A wedding reception in honor of Mr. and Mrs. Henry Lampi will be held at the First Lutheran church in Treenary on Saturday, Dec. 3 from 7-10 p. m. Henry Lampi, son of Mrs. Toivo Lampi of Rock, and Miss Emily Savola, daughter of Mr. and Mrs. John Savola of Treenary will be married in Lansing on Friday, Dec. 2. Everyone is invited.

Terry Larson, 16, son of Mr. and Mrs. John Larson, shot his first buck, an 8 pointer, weighing about 200 pounds to fill his hunting license.

THE GLADSTONE high school Dramatics Club will present "Rocket In His Pocket" at the high school Thursday and Saturday nights at 8 o'clock. Rehearsing are James Reese (Mr. Agnew) and Donna Young (Mrs. Matchett.) The play is directed by James Boman, Dramatics Club advisor, with assistance from student directors Leroux Cowen and Jo Ann Marshall. (Daily Press Photo)

Rapid River

Altar Society

St. Charles Borromeo Altar and Rosary Society of Rapid River will meet Thursday, 8 p. m. in the church parish hall. Rosary recitation will precede the meeting at 7:45 p. m. Plans will be made for the parish Christmas Party, Sunday, Dec. 18.

Ladies Aid

St. Martin's Ladies Aid of Rapid River will meet Thursday, 2:30 p. m. at the Rapid River Church. Mrs. Emma Turan will be the afternoon hostess.

Clothing Drive

1,100 pounds of clothing was sent from Rapid River Calvary and Stonington's Trinity Lutheran Churches to the Lutheran World Relief. The clothing will be shipped by boxcar from Escanaba to New York Harbor where it will be sent overseas to clothe families in Greece,

Europe, Africa, and South America. Several blankets were collected in this year's drive. The clothing drive is held every year at Thanksgiving time by America's Lutheran Church.

Hunters

Steve Cole grandson of Mr. and Mrs. Toby Moore of Masonville, shot his buck on the opening day of the hunting season.

Lynn Gale of Escanaba filled his license with a buck while hunting in the Dutch Mill area in Rapid River.

Thanksgiving Service

The joint Thanksgiving service held at Rapid River Calvary Lutheran Church was well attended. Following the service, the Youth Fellowship from Rapid River's Congregational Church.

Celebrating the Thanksgiving holiday with their parents, Mr. and Mrs. Kenneth Brotherton of Maywood were, Mr. and

Victory Dinner Here Thursday

A Delta County Victory Dinner at which this area's congressman, state senator and state representative are invited guests of honor, will be held Thursday evening at Marco's restaurant in Escanaba.

The public is invited to attend the smorgasbord to be served at 6:30 o'clock Thursday. Reservations should be made by calling Forrest Henales, State Bank of Escanaba, STB-1331; Mrs. Rene Labre, STB-4027 or Mrs. James Ferguson, STB-4090.

The guests of honor will be Congressman-elect Philip Ruppe of Houghton, State Representative-elect Charles Varnum

of Manistique, and State Senator Thomas Schweigert of Potosky. The latter has indicated that he will be here if he can possibly fit the event into his busy schedule.

The toastmaster will be Art Neiman, chairman of the Delta County Republican Committee.

Entertainment will be presented by members of the Bay de Noc Players, who will give excerpts from the forthcoming production "The Music Man" under the direction of John Romstad.

Ensign

Successful hunters in the Ensign area were Adam Sinclair of Gladstone filling his license with a four point buck; Glen Lundin of Ensign with a five pointer; his son Larry, a seven pointer and son-in-law, Loren Mead, of Ensign with a trophy size eight pointer.

Victor Majestic, hunting in the Ensign area, returned to his home in Euros, Ohio, with a spike horn.

Hunters at the Stanley Dominick home in Ensign returned to their homes in Hamtramck with their hunting licenses filled; Walter Djada got a buck and Richard Golecki, a doe.

Obituary

Mrs. Julia Eggert Celebrates 90th Birthday Here

Mrs. Julia Eggert celebrated her 90th birthday at the home of her daughter and son-in-law, Mr. and Mrs. Shirley Warner, 606 S. 13th St. on Nov. 22. Guests for the birthday dinner were Mrs. George Ryan, Mrs. Harold Ebbesen, Mrs. Walter Johnson, all of Gladstone, and Miss Marcella Camps, of Stambaugh.

Other guests at the Warner home for the Thanksgiving weekend were Owen Warner, a sophomore at Superior State University, Superior, Wis., Robert Taylor, of Dearborn; Mr. and Mrs. Milton Bergman and John, of East Lansing; Karen, Kevin and Kurt Calendar, of Belview, Mich.; Mrs. Osa Hazen, Mrs. Kent Peterson and Mrs. Doris Forhan, all of Gladstone.

Officers Praise Storm Driving

State Police of the Gladstone Post today praised motorists in Delta County for safe driving during the snowstorm which whipped the area for nearly three days.

Troopers said only two minor accidents had been reported during the storm, none involving injury. Delta County Sheriff's officers reported one accident, but again neither driver was injured.

Although many cars were stalled in the heavy drifts, troopers said there was no injuries caused by the storm.

Cleanup work on roads continued this morning, but all main highways are open. Icy conditions still prevail in some spots, however.

Troopers attributed the excellent safety record to motorists reducing speeds.

"This shows that people can drive safely if they want to," said one officer. "It's a real credit to Delta County."

The only two accidents reported to State Police came Tuesday on rural roads clogged by drifting snow.

A truck driven by Irvin L. Gibbs, 60, of 2614 Lake Shore Dr., Escanaba, collided with a car driven by a 16-year-old boy on County Road 420 in Escanaba Township. Troopers said neither driver saw the other because of blowing snow. The youth was referred to Probate

More Snow Hits Area

More snow began falling Tuesday afternoon in the Manistique-Schoolcraft area, coming on the heels of a wintry storm which downed power lines, iced and clogged roads and snarled traffic in a large area.

Inland Lime and Stone Co. had its crew back Tuesday for the 8 a. m. shift, and men were busy thawing water lines and otherwise getting ready to move. Some men were stranded at the plant as the storm struck late Sunday and few made it to work Monday.

Tuesday at Port Inland winds were gusting out of the north up to 40 mph. Four boats, the Schoelkopf, Munson, Reserve and Sterling were waiting out the new storm in Seul Choix Bay, as was a tug and barge of Capt. John Rosen.

Wires on Trolley
Long distance communication had not been restored to permit officials of the limestone company to determine what effect the storm had on boat schedules. The plant is expected to continue operating next week, however, and then to close Dec. 4 for the navigation season.

Use of the inland railroad was cancelled out when Michigan Bell Telephone Co. lines fell across the train. Crews were awaiting to clear the lines to avoid further damage to the system. The lines fell sometime prior to Monday.

Bus line service was operating, but behind schedule. Manistique school students were back in class Tuesday, with many late due to road conditions. Bus students were sent home early Tuesday afternoon when the new snowfall began.

Strong Wind
Soo Line railroad trains were maintaining regular freight runs. The local freight train Tuesday had its own plow on. The railroad reports it has about 100 poles down east of Manistique and rail telegraph service is off from Manistique east.

Edison Seal Electric Co. customers had flickering power service for a time and in some areas, outages. Crews worked through the night keeping service intact. For a considerable time, Wisconsin-Michigan Co. and U. P. Power Service was out.

General Telephone Co. appeared not to have extensive damage to its system, but officials were not available for comment Tuesday afternoon. Local phone service was available through the storm.

Snow was falling throughout the county Tuesday afternoon, with winds generally about 30 mph. Roads were open though some side roads had blown in. At the Alger county line, road crews said, wind was so strong it was not possible to stand up outside vehicles.

Visibility was poor due to snow, but traffic was moving.

Briefly Told

The PTA meeting which had been scheduled Tuesday night has been postponed until Dec. 6.

Marvin Fredericksen, principal of Manistique High School is attending a principals conference in Detroit.

The Goodwill club meets at the home of Mrs. Eric Tornberg, Thursday, with Mrs. Maynard Blomfield assisting.

A car driven by Richard Zulewski, 32, of Southgate had lights fall on U. S. 2 in Mueller township at 12:45 a. m., Nov. 28 and was struck head-on by a car driven by Frank Krzyzanski, Manistique. State Police report, Zulewski had stopped to clear his windshield at the time. An electrical short cut the lights, officers said.

The salary of Richard Bonifas, adult school director is \$4,250 plus \$300 for athletic director for six months. Following the board meeting it was incorrectly reported the salary was \$4,650 plus the \$300. Total salary for directing the adult school and serving as athletic director and recreation director is \$11,100 per year.

Public Safety Officers report a car driven by Robert Sleeper, 63, of N. Houghton had considerable damage when it collided Tuesday at 10:35 a. m., with a truck near the siphon bridge. Sleeper was turning on East Elk to go up the bridge and skidded. His car hit the rear of a Clairmont trailer rig operated by Francis Perren, 41, of Berk River, which was turning left coming off the bridge onto East Elk. Sleeper had a facial wound and was taken to Schoolcraft Memorial Hospital. He was issued a summons for failure to have vehicle under control.

American railroads' 20,000 locomotive units with their 44 million horsepower have as much power capability as all the steam-electric generating plants in 20 states and the District of Columbia

MANISTIQUE

Storm Ordeal Described By Local Resident

"I know God was with us all the way or we never would have made it," Mrs. George Schwellert of Manistique said after a harrowing trip home from Grosse Ile in rough weather of the past few days.

Mr. and Mrs. Schwellert returned as far as Indian River from a trip to attend the funeral of Richard Hoelge, who was visiting at his Island Lake cabin and died suddenly in a Munising store.

At Indian River, heavy snow began falling, marking the beginning of a hazardous trip. The couple stayed overnight Sunday in Mackinaw City and got the last two rooms available in a small motel. The restaurant was filled with students.

They kept going in the storm and Mrs. Schwellert worried about them as she and her husband crawled over icy road, reaching the worst impasse at Naubinway Monday.

"Buses were stuck in the road, cars were all over in the snow and the snow was stacked high. It was like the end of the world. The restaurant was filled with 70 people who stayed there all night, with the only heat coming from the kitchen, as electric power was off. The rest room had been

closed as it was blocked. A 3-week old baby was among children. All the food was gone. Two plows came and got stuck. Until the plows were freed, we really felt horrible. Hundreds of cars were stalled. Some turned to go back to St. Ignace. We were going to also, but then there was an announcement that in two hours the line of cars stuck near Blaney would be moving. We turned around and waited.

"Students helped greatly with messages and other tasks in the difficulty. We stood in Naubinway five hours. New roadways were plowed around the stalled trucks and cars.

"Near Blaney, two trucks were stuck, but one pulled the other out. We waited there 1 1/2 hours. Luckily we had filled with gas at St. Ignace. Many ran out of gas along the way.

"From Blaney to Manistique, it was really bad. We didn't know where we were going and at every curve on the ice-covered road we felt 'Here we go.' We crept along at 20 mph, and finally arrived at 8 p. m. 'We're just exhausted,' Mrs. Schwellert observed.

Hospital

Admitted to Schoolcraft Memorial Hospital were William Stephens, Dorothy Spohr, Patricia Demers, Eva Fietze and Karen Fraser.

Mary Chandanais was discharged.

Council Meeting Set On Street Vacating Plan

The Manistique City Council Monday night discussed a proposal to vacate part of Schoolcraft Ave., from West Elk, and has recessed until Friday noon when it will reconsider the proposal.

A suggestion was made in the discussion that the city grant a part of the right of way to Lyle Demers, who petitions for the vacation, and to Bert Hulshof, whose building is partly on street right of way.

To the present, discussions have involved granting of an easement to Thomas Rice, who has indicated an interest in purchasing property in the E. Cookson estate, and wants sufficient right of way to permit turning of vehicles when a warehouse is constructed. Mrs. Cookson has written to the Council stating the vacation would impair access to her property.

Under the new proposal, the city would retain title and merely cede part of the 66-foot way to the petitioners, who seek the property left by the vacation.

Also discussed was city purchase of Foley property now held by the Industrial Development group. Cost of the 53 acres near the city shop would be \$4,500 plus costs and interest to the group which purchased it. One councilman stated he did not feel the city should be in the real estate business and that industrial property would have more potential if it were located in the harbor area.

A resolution was adopted commending Charles Varnum on his service as a member of the City Council. He has been elected to the House of Representatives in the Michigan 107th district and will resign his post to serve in the state Legislature.

Approval was given for paying the city's one-half share of legal costs of transferring deed restrictions in the Jennie Putnam property bequest. The cost will be greater than anticipated, totalling \$600, rather than \$350 to \$400, it was reported. The school district is paying the other half of the cost.

A report from the State Highway Department informed that traffic at the Houghton and Deer intersection on U. S. 2 was not sufficient to warrant a traffic light.

Taking of bids on a patrol car was scheduled Friday.

Delivers Fire

ALLEGAN (AP) —Ken Kugelard didn't wait for the fire department to come to him. He took a fire to them.

When a blaze started in the back seat of his car Kugelard ran to the nearest telephone and called the fire department. "My car's on fire," he shouted. "I'll be right there."

Half an hour later Allegan Assistant Fire Chief Lowell Terry put out the blaze — and Kugelard drove away, back seat still smoldering.

MRS. CARL HEINZ JR., the former Miss Judy Paulson of Travis AFB, Calif., was married Saturday, Nov. 26 during a double ring ceremony performed at high noon at St. Joseph's Church in Escanaba. Officiating at the nuptials was the Rev. Jordan Telles. A reception honoring the couple was held at the Dells Supper Club from 4 to 7 p. m. Following a honeymoon trip to an undisclosed destination, the couple will reside in Vacuville, Calif. (Gordon Nelson Photo)

Luther Leagues To Present Holiday Festival

BARK RIVER — The Salem Junior and Senior Luther Leagues of Bark River will present a program entitled, "A Christmas Festival of Nations," at the Salem Lutheran Church in Bark River on Monday evening, Dec. 5, at 7:30. The program centers around the origin of the various Christmas customs and decorations that we use today. The Leagues are decorating the church to illustrate the customs. Highlight of the program will be the Swedish custom and legend of St. Lucia.

Holiday Cantata Planned Sunday In Trenary

A Christmas cantata in music and verse will be presented by the Senior choir of the Trenary Methodist church Sunday, Dec. 4 at 7:30 p. m. The cantata, "Born a King" is written by John W. Peterson.

Elizabeth Davis is the organist and Mildred Hager, pianist. Choir members are Bernadine Carlson, Karen Vilton, Esther Quarfoot, Mary Spielmacher, Brenda Birk, LaVeta Peterson, Linda Laurich, Diane Carlson, Joy Aho, Betty Davis, Joyce Carlson, Esther Cauchon, Ronda Bucholtz, Lynn Martin, Vivian Sandstrom, Marcia Ostaneck, Linda Vilton, Lucille Richmond and Martha Campbell.

Phyllis Bucholtz is the director and Ronda Bucholtz will narrate. Ione Laurich is chairman of the coffee hour that will follow the program. There is no admission charge for the performance and everyone is invited to attend.

Bark River

The Salem Lutheran Church Council will meet at the parsonage at 7:30 p. m. Thursday. The confirmation class will meet there at 4 p. m. the same day.

No fresh mint in the house to add to cooked green peas to be served with lamb? Add a little mint-flavored jelly along with butter after the peas are cooked and drained; heat slowly to melt the jelly and allow flavors to blend.

Women's Activities

Plans Complete For UCT Annual Christmas Party

The United Commercial Travelers, Council 616 and Auxiliary 229 will sponsor their annual Christmas party for members and guests at the Dells Supper Club on Saturday, Dec. 10.

The social hour will begin at 6:30 p. m., and dinner will be served at 7:30. Each person attending is asked to bring a gift; the ladies are to bring a gift for a lady and the men a gift for a man.

A short program is being planned and Santa Claus is expected for the gift exchange. There will be dancing to the Dells orchestra later in the evening.

Mr. and Mrs. John LaBranche are chairmen of the party, assisted by Mr. and Mrs. Bob Freidt and Mr. and Mrs. Joe Stankowicz. Reservations must be in by Wednesday, Dec. 7 and can be made by calling ST 6-8859 or ST 6-3134.

Last Day For Tickets

Thursday is the last day to purchase tickets for the annual Newcomer's Club holiday dance to be held Saturday evening at The Terrace.

Tickets are still available at Gartner's, Gust Asp's and the West End Drug Store.

Miss Gloria James

Miss James To Be Bride Of Robert Lee

Mr. and Mrs. Carol N. James, 7105-62nd Ave., Minneapolis, Minn., announce the engagement of their daughter, Gloria Jean, to Robert Lloyd Lee, son of Mr. and Mrs. Lloyd Lee, Rte. 1, Rapid River.

Miss James, a 1961 graduate of Robbinsdale High School, was trained and employed by T. W. A. as an airline hostess and is presently employed as secretary to the president of the Association of Free Lutheran Congregations.

Her fiancé, a 1961 graduate of Escanaba Senior High School took his undergraduate studies at the University of North Dakota and Augsburg College, where he was a member of Pi Gamma Mu, honorary Social Science fraternity and the Augsburg Society for Dramatic Arts. He is presently studying for the Christian ministry at Free Lutheran Theological Seminary, Minneapolis.

No date has been set for the wedding.

St. Francis Sisters To Host Luncheon

The members of the St. Francis Hospital Auxiliary will be guests of the Sisters of St. Francis Hospital at a noon luncheon to be held Tuesday, Dec. 6 at 12:30 p. m. in the doctor's room.

Following the luncheon, cards will be played with each table furnishing their own prize. Each member is asked to donate a double deck of bridge cards to the Auxiliary. Members who have not paid their dues may do so at the luncheon.

The luncheon is by reservation only and all reservations must be called in to Mrs. William Richer, 786-1186 or Miss Ted Kleinschmidt, 786-4726 not later than 6 p. m. Thursday.

A Jolly Red Giant For Christmas

HOLIDAY PARTY CENTERPIECE — Having a hand in making party decorations is every child's delight. This two-foot Santa, made from paint-mixing buckets and paper, is easy to construct. Cotton swabs form a three-dimensional beard. Miniature Santas made from small paper cups can be given young guests for take-home favors.

A jolly Santa Claus centerpiece will add a gay and colorful touch to your holiday party table. This two-foot high version of the jolly red giant is easy to construct.

FREIGHT CLAIM and DAMAGE SALE

On Appliances, General Merchandise And Toys
Starts Thursday

Two large paint-mixing buckets—the cardboard type sold at hardware or paint stores—form the body.

Begin by trimming the rim off one bucket. Then turn the bucket upside down and fit it inside the rim of the uncut one. The two joined buckets will form a figure that's wide in the center and tapering at top and bottom.

Cut two pieces of red paper to cover top and bottom halves, gluing in place. Then dip a cotton swab in ink or paint and use it as a tiny brush to draw on Santa's wide black belt and make a border at the lower edge. Make a belt buckle from aluminum foil.

For the face, cut a semi-circle of white construction paper about five inches deep and glue on. Paint on eyes with a cotton swab and pop a red Christ-

mas tree ball in place for the nose.

To make Santa's three-dimensional beard, punch holes along the rim of the face. Then insert cotton swabs in the holes.

For arms, glue on strips of red paper six inches long and three inches wide. Shape feet from black paper.

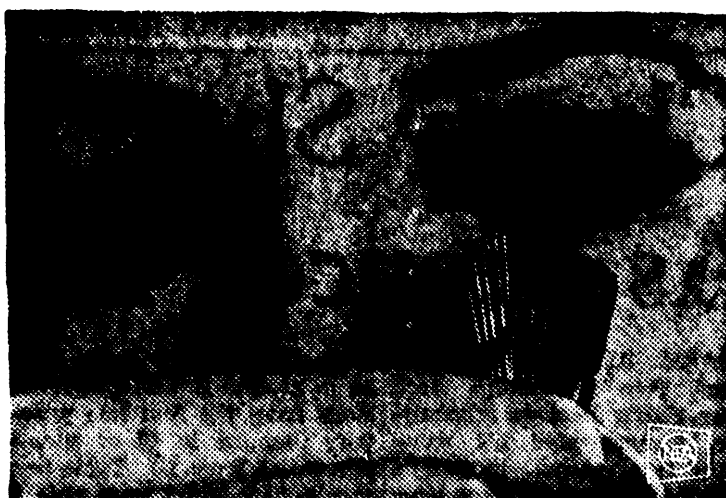

Create a pointed hat by rolling red paper into a cone and gluing it together in the back. Top the hat with a cotton cosmetic ball or a ping pong ball.

Take-home favors for child guests can be miniature Santas made from small paper cups. Follow the same procedure for making the centerpiece. Attach finished design to small candy cane "skis."

Mineral Club Meets Thursday

The Bay de Noc Gem and Mineral Club will meet at the Escanaba Area High School on Thursday evening. Members are to use the northeast entrance. Trading materials and specimens may be brought in at this time.

Charles Bowen of Rapid River will show films of his travels through the Western states. He will also discuss the various phases of rock collecting done by himself and his family during the last year.

FANNING OUT from a model's fingers are tiny electronic tube leads for color television. Fourteen of the pins, manufactured by Sylvania Electric, are sealed in the neck of a color tube to conduct the power signal to an electron gun that fires a stream of electrons toward the face of the tube to energize red, green and blue phosphor dots.

St. Nicholas Was Children's Hero Before Santa

Long before Santa traveled by sleigh, St. Nicholas, special guardian of children, set forth on foot, or rode by horse or donkey, to bring gifts to European homes.

The good saint's day is December 6th, and "on the eve of his festival day," writes an Encyclopedia Americana authority, "St. Nicholas makes his tour, visiting palace and cottage."

"The children place receptacles for the gifts, which St. Nicholas is expected to let fall down the chimney. Sometimes shoes are neatly polished

for the purpose, at other times plates, or baskets, or stockings, or specially made shoes of porcelain.

"St. Nicholas' steed is not forgotten. For him the children put water and hay, or carrot or potato peeling, or a piece of bread in the shoe or basket, or stocking."

"In the morning from the tipped-over chairs and general disarray in the room it is evident that St. Nicholas has been present."

"Replacing the oats, or hay, or carrots are found sweets and playthings for children who have been good. For bad children, rods are left, and the fodder is untouched."

Marquette's Iron Rangers hockey team is mired deeper in the United States League basement after a pair of defeats at the hands of the Rochester Mustangs last weekend. . . . The Mustangs tripped the Rangers 9-3 and 7-4. . . . Marquette hosts the Green Bay Bobcats, tied with Rochester for first place in the standings, in a pair of weekend tilts.

Three Upper Peninsula high school representatives have been re-elected to positions within the Michigan High School Athletic Association. . . . George Weingartner of Rock was named to another two year term as Class C-D representative on the state athletic council. . . . Renamed to the U. P. Athletic Committee, of which Weingartner is chairman, were Walter Peters of Rapid River and Art Allen of Newberry. . . . Peters represents Class D schools and Allen is the athletics coaches' delegate.

Coach Vic Fochesato of Norway has six senior letter-men back on his cage squad this season. . . . The veterans back in action include Joe Kuczek, Bob Mastie, Pete Yantorni, Jim Gianunzio, Larry Salina and Tony Baciak. . . . Kuczek and Mastie were among the top point producers in the Menominee Range Conference last season.

Holy Name High School will join the growing ranks of Upper Peninsula schools sponsoring wrestling on a varsity level this season. . . . Coaching the Crusader grapplers in their first year in the sport will be Bob Dufour, a veteran member of the Holy Name coaching staff who tutored the junior varsity football team last fall.

Gladstone High School, which recently rejected membership in a proposed new Upper Peninsula athletic conference, is the smallest school in the Great Lakes Conference. . . . Gladstone's enrollment is listed at 501 students. . . . The enrollments of the schools considering formation of the new conference are as follows: Norway 380, Crystal Falls 425, Marquette Baraga 425, Stephenson 437 and Gwinn 485.

Veteran boxing fans in the area will recall the great Barney Ross, former world lightweight and welterweight champion, when he served as referee for the Upper Peninsula Golden Gloves tournament in 1942. . . . Ross, now fighting for his life against throat cancer, is being honored in New York tonight at a testimonial dinner featuring 30 former and present world champs.

Garden Topples Nahma In Final Seconds Of Tilt

GARDEN—Playing in spite of a painful leg injury, Garden's 5 foot 8 inch senior Terry Anderson came through with a 25 foot jumper in the closing seconds of action here Tuesday night to give the Jets a 46-44 Central League victory over Nahma.

Anderson's swisher with 15 seconds to go capped a stirring comeback by Dave Pelletier's cagers in the late stages of the contest.

Nahma jumped out to a big 16-5 lead in the first period and it was uphill the rest of the way for the Jets. They trailed by 31-23 with two min-

utes to go in the third period and came alive to narrow the gap to 31-30 entering the final frame.

Coach Warren Groleau's Arrows still led by four points with a minute and a half to go, 44-40. Mike Thibault hit both ends of a 1-and-1 and then stole the ball for a layup to knot the score at 44-44.

The Jets got the ball back when Nahma lost David Larson on an offensive foul, committed on a drive for a shot, with 45 seconds remaining. He was the third Nahma player to foul out and left the Arrows with only four available players. Garden held the ball for a final shot and Anderson connected with the field goal that produced the team's second victory against two defeats.

Nahma won the preliminary game, 50-20.

Charity Shots Pay Off As Broncos Tip Tigers

BARK RIVER - HARRIS—Coach Tom DeBakker's Bark River-Harris Broncos emphatically demonstrated the value of the free throw in today's basketball game as they tripped an invading Powers-Spalding quint by a 64-56 margin here Tuesday night.

Lindell Named Back Of Week

By The Associated Press
Army's Steve Lindell, who fired two cannon shots that scuttled the Navy last Saturday, was saluted today by The Associated Press as college football's Back of the Week.

Lindell, a poised, 19-year-old sophomore from Princeton, Minn., broke up the interservice duel with a pair of fourth-quarter touchdown passes, giving the Cadets a 20-7 victory to cap their finest season since 1958.

The 5-foot-11, 180-pound Army quarterback hit Terry Young with a 43-yard scoring strike, snapping a 7-7 tie, then tossed a 23-yard pass to Carl Woessner for the insurance tally.

Over-all, Lindell completed 12 of 17 passes for 164 yards, added 25 rushing yards and converted after two touchdowns in leading Army to its eighth victory in 10 starts under first-year coach Tom Cahill.

Sophomore Coley O'Brien of Notre Dame and Frank Quayle of Virginia sparked Saturday as the Irish trampled Southern California 51-0 and the Cavaliers trimmed North Carolina 21-14. O'Brien, starting at quarterback for Notre Dame in the absence of injured Terry Hanratty, hit on 21 of 31 pass attempts for 255 yards and three touchdowns. Quayle scored all three Virginia touchdowns on jaunts of 30, 23 and 4 yards.

Sports In Brief

NEW YORK (AP) — George Patton of Georgia received the honor for the second time this season as the Associated Press' Lineman of the Week for his defensive play in the Bulldogs 20-14 victory over Georgia Tech last Saturday.

MELBOURNE (AP) — The Richey brother and sister team of Dallas was eliminated from the Victorian Championships Tuesday, Cliff by an attack of German measles and Nancy in competition against Australian Judy Tegart, while Arthur Ashe and Rosemary Casals kept the United States in the running with victories.

from the field by three goals, 24 to 21. But it was a different story from the foul line where they pumped in 22 of 30 opportunities from 20 Tiger personals. The losers were able to convert only 8 of 14 gift attempts.

The teams battled for three periods to a 45-45 standoff with the Broncos leading most of the way in the first half but the Tigers gaining ground in a 15-10 third frame.

Bark River's free throw shooting ability was the major factor in the final quarter in which the Broncos tossed in 11 of 14 attempts. Setting the pace was Terry Sagataw with seven conversions. Pat Sagataw

contributed four points, including two free throws, as did Eric Ahlin. John Smith and Ed Palka rounded out the final period scoring total with two points apiece.

Three Broncos triggered the team's first victory of the season with Pat and Terry Sagataw and Palka scoring 16 points each.

Individual scoring honors went to Roger Stebbins of the Tigers with 17 points.

The Broncos also won the Jayvee preliminary game, 48-45.

Kickers Set Point Pace

NEW YORK (AP) — One result of the Washington Redskins' 72-41 rout of the New York Giants Sunday was to boost Charlie Gogolak into a tie with Bruce Gossett of the Los Angeles Rams for the scoring lead in the National Football League.

Gogolak, who kicks field goals soccer style, has 20 three-pointers plus 31 conversions for 91 points. Gossett, who kicks in the normal ways, has 22 field goals and 25 conversions. Gogolak got nine conversions and a field goal against the Giants.

Gale Sayers of the Chicago Bears has taken over the rushing lead with 957 yards on 186 carries.

With three games to go Sayers has a 12-yard lead over runner-up Leroy Kelly of Cleveland, who has rushed for 945 yards.

Bart Starr of Green Bay remains the top passer and Pat Studstill of Detroit is out front with 61 pass receptions for 1,191 yards.

Football Owners Seek To Revise League's Setup

NEW YORK (AP) — The National Football League expects to finish its realignment today and get on to the business of setting the site and date of the Super Bowl game with the American Football League champions.

Pete Rozelle, commissioner of pro football, kept the owners at work until nearly midnight Tuesday, trying to hammer out an agreement on realignment. The league spent all day Monday and Tuesday working on the problem.

The big rub came in lining up the four-club divisions of the eight-team Eastern Conference because six different teams wanted to call the New York Giants their traditional rivals. Although the Giants have fallen on evil times, they still sell out Yankee Stadium every Sunday and a New York game is considered important to many clubs. It still had not been deter-

mined whether the New Orleans franchise would go into the Western or Eastern Conference. Rozelle said the realignment would not change the present make-up of the two conferences, except for the addition of New Orleans to one group. The Western unit has first pick of New Orleans or Atlanta. It was the make-up of the two four-club subdivisions of each conference that caused all the problems.

Traditional rivalry, weather, baseball park conflict and the strength and weakness of the teams involved were factors.

When they got around to the Super Bowl game, the owners of the NFL and AFL, meeting in separate sessions, are expected to settle on Sunday, Jan. 15 at the Los Angeles Coliseum. This will involve reshuffling other dates and will result in both the NFL and AFL title games being played on the same weekend, possibly on the same day.

Dodgers Land Ron Hunt; New Infield In Making?

COLUMBUS, Ohio (AP) — The Los Angeles Dodgers, having acquired second baseman Ron Hunt, and the New York Yankees, having given up third baseman Clete Boyer, looked forward today to molding new infields with shortstop Maury Wills possibly leaving one and joining the other.

The National League champion Dodgers made the first major trade of the annual baseball meetings Tuesday, sending two-time batting champion Tommy Davis and infielder-outfielder

Derrell Griffith to the Mets for Hunt and infielder-outfielder Jim Hickman.

Less than eight hours later, the Yankees and the Atlanta Braves completed the first interleague trade of the meetings and sent Boyer, an eight-year Yankee veteran, to the Braves.

In return the Yankees received outfielder Bill Robinson, who played for Richmond of the International League last season. The Yankees also got Federico (Chi Chi) Olivo for their Syracuse IL farm club roster and will send a player to Richmond later.

The Dodgers long have needed a solid third baseman, and the acquisition of Hunt will enable them to move Jim Lefebvre from second to third. John Kennedy, whose weak hitting has prevented him from fulfilling the team's wishes for a third baseman, now is free to move to short.

With Lefebvre, a .274 hitter last season, and Hunt, a .288 better, providing offensive punch in the infield, the Dodgers might be able to afford carrying a .301 hitter of Kennedy's fielding quality.

That would fill the shortstop spot that would be vacant if the Dodgers completed a trade for Wills, who has fallen from favor since leaving the club early in its tour of Japan.

Wills, in turn, could fill part of the gaping hole in the left side of the Yankee infield, teaming

with rookie Bobby Murcer as shortstop-third base combination.

General Manager Lee MacPhail said:

"We're still interested in talking to the Dodgers about Wills. They've got one more infielder (Hunt), and we've got one less."

The main problem the Yankees had in seeking Wills was meeting the Dodgers' desire for a shortstop.

"This trade doesn't change anything about the Wills situation," said Buzzie Bavasi, the Dodger general manager, after the Hunt deal. "We still want a shortstop in return. That is mandatory."

Davis won the National League batting titles in 1962 and 1963 with .346 and .326 averages. But he broke his right ankle early in 1965 and hasn't performed to the Dodgers' satisfaction.

The 27-year-old outfielder batted .313 this past season but drove in only 27 runs in 313 at-bats.

Griffith hit .067 in 22 games with the Dodgers early in sea-

son, then batted .278 in 64 games at Spokane of the Pacific Coast League. Hickman, the last of the original Mets, batted .238 this past year.

The Yankees were pleased to get Robinson, who batted .312 with 20 homers and 79 RBI in the International League last season.

Passer Paces Whitewater In Grid Playoffs

WHITEWATER, Wis. (AP) — Bob Berezowitz has helped carry Whitewater's Warhawks into the National Association of Intercollegiate Athletics Championship Bowl.

Whitewater, with the senior quarterback firing three touchdown passes, scalped Central College of Pella, Iowa, 41-18 Tuesday in an NAIA football playoff.

The Warhawks will meet Waynesburg College, Pa., for the NAIA national crown Dec. 10 at Tulsa, Okla.

Martin Denies Charge

MINNEAPOLIS (AP) — Peppery Billy Martin learned Tuesday that a Chicago jury had decided he should pay pitcher Jim Brewer \$100,000 for his part in a baseball diamond fight six years ago, and promptly demanded, "They've got to give me my day in court."

Martin contended he was not notified that the civil damage suit was going to trial, and that he was not represented by legal counsel in Chicago Circuit Court.

"I'm just pleading that I wasn't even notified," Martin said, "and they've got to give me a chance to present my side, because I can prove it didn't happen the way this guy says it did."

Brewer was pitching for the Chicago Cubs on Aug. 4, 1960, in Chicago when he and Martin, then a second baseman for the Cincinnati Reds after stardom with the New York Yankees in the 1950s, tangled on the field.

Brewer and the Cubs brought a \$260,000 damage suit, alleging that Martin broke Brewer's checkbone and nearly cost him the sight in his right eye. Brewer, now with the Los Angeles Dodgers, did not lose his sight, however.

The Cubs withdrew from the suit Monday when the trial be-

gan, saying any money awarded by the jury should go to Brewer. Judge John Gutknecht presided at the trial, during which television films of the fight were shown.

Martin, now a coach for the Minnesota Twins after retiring as a player following the 1961 season, claims he's got pictures which dispute Brewer's and the Cubs' contentions.

"It was proved in pictures that I didn't hit the man in the eye where he claimed he was hit," Martin said. "I hit him in the jaw. Another player, a teammate of mine, hit him in the eye and this player gave a deposition to a lawyer to that effect."

"I've got a lot of witnesses, if they would let me in on the trial."

"I should have a suit of defamation of character against the Cubs and Brewer, because I never hit the guy in the eye. The Cubs know I didn't."

Redskin Safety Top Defenseman Despite Record

NEW YORK (AP) — When the final score is 72-41, a defensive player really has to do something big to get his name in the paper. Washington's Brig Owens found the way.

While the New York Giants were going down before a record-breaking score, Owens was dashing around picking up headlines.

The Redskins' safety man scored two touchdowns and set up two others while intercepting three passes. He also recovered a fumble. That feat made Owens The Associated Press' defensive Player of the Week in the National Football League.

The 5-foot-11, 188-pounder used to be a quarterback in college (Cincinnati). The Dallas Cowboys drafted him No. 7 in 1965 but kept him on the taxi or reserve squad most of the year. Shortly before the 1966 season, Owens was traded to Washington.

"I never played defense before coming to the pros," said the 23-year-old Owens. "I'm just

learning this game. This was the best game I ever had anyplace."

Owens picked up a fumble and ran it back 62 yards for one score and dashed 60 yards with an intercepted pass for his second TD. He gained 87 yards with his three interceptions.

If Owens had not had so many chances in that wild game the defensive honors probably would have gone to Green Bay's Herb Adderley for a key interception and a partially blocked punt in a 28-16 victory over Minnesota.

The Packers' fine corner back partially blocked Bobby Walden's punt in the first half, the ball sailing out of bounds on the Vikings' 11 to set up the third Packer touchdown for a 21-3 halftime lead.

With the Vikings straining for a winning touchdown in the final minutes, Adderley intercepted a pass thrown by Fran Tarkenton and Green Bay held the ball the rest of the way for a 28-16 victory.

Matheson Hits National Honor Bowling Count

Glenn Matheson exploded for the biggest national honor count in the Classic League in 20 years when he bombed a 714 series for his Miracle Market team Tuesday night at the Bowlerama.

Matheson moved down games of 215, 247 and 252 to lead his team to a 2886 series. Dave Friets, bowling for Skradak's Bar against Matheson's team, spilled a big 642 series with a 288 highlight. John Martineau also slugged a 287 game as Skradak's won the Match, 2880 to 2866 pins. The teams split four points for the night.

Duffy Doesn't Want Name-Calling Thing From Irish Rivalry

LANSING (AP) — Michigan State Coach Duffy Daugherty isn't ready to concede his squad is No. 2, but he also doesn't want to see the MSU-Notre Dame rivalry for No. 1 spot "degenerate into a name-calling thing."

"They are both great teams," Daugherty told an MSU awards ceremony attended by 1,000 Spartan backers Tuesday night.

He called No. 1 ranked Notre Dame "as fine a team as ever has been selected."

He added: "Our Spartans salute them — but I salute our Spartans, who are equally as good."

"We may have been outvoted, but we were never out-fought," said Biggie Munn, MSU athletic director.

The 10-10 tie between the two teams Nov. 19 was an extremely hard fought game, Daugherty said, "and I think the outcome was a fair indication of the merit of the two teams."

"We can't rightfully say we're better than Notre Dame. If we were, we would have beaten them. If they were better, they would have beaten us," he said.

Notre Dame edged MSU by three points in the poll after the tie. Then the Irish beat Southern California 31-0 last Saturday and pulled out to a 34-point edge over the No. 2 Spartans.

The Awards Committee of the National Football Foundation, which awards the MacArthur Bowl each year to the best college football team in the nation, chose MSU and Notre Dame as co-champions.

Daugherty introduced 15 graduating seniors and told the crowd, "I'm going to miss them very badly — more than you folks."

Among the seniors were five who received special awards Tuesday night from MSU alumni:

George Webster, outstanding defensive back; Clint Jones, outstanding offensive back; Jerry West, outstanding offensive lineman; Bubba Smith, outstanding defensive lineman; and Gene Washington, outstanding end.

The other seniors are line-backers Charles Thornhill and

Wills Is Ready To Quit; Maybe

SEATTLE (AP) — Maury Wills, his ailing legs rejuvenated through a daily weight lifting program, doesn't want to quit baseball but says he will if he's traded to the wrong club.

The Los Angeles Dodger shortstop and team captain-holder of the major league season record of 104 stolen bases—talked of his possible retirement Tuesday after learning the Dodgers had said they would trade him "for a reasonable offer."

"I'd rather not be traded because Los Angeles is a great place to play ball," Wills said. "But if they decide to trade me I'll continue to play in the same fashion I've always done for the Dodgers. I'll give 100 per cent all the time."

"But if I feel I'd rather not go with another club, I'd retire."

Wills was bothered by injuries last season. He stole only 38 bases and was caught 24 times. But for the last few weeks he said he has been running each day with two-pound weights on his ankle and spending a half hour lifting a 5½-pound weight with each leg.

Wills, in the Dodger organization for nearly half his 34 years, angered team officials when he left a post-season exhibition tour in Japan. He said he was afraid he would injure himself seriously.

He declined comment on any disagreement with the Dodger front office.

More people get more news from newspapers than from all other sources combined.

Detroit Turns Down Wills For Al Kaline

COLUMBUS, Ohio (AP) — Detroit turned down a Los Angeles Dodger offer to trade shortstop Maury Wills because LA wanted Al Kaline, Tigers General Manager James Campbell said Tuesday.

Campbell admitted he had conferred with the Dodgers at the winter baseball meetings but added: "They brought Kaline into the picture and we just don't think it's worth that kind of price."

Maury Smith, Detroit's new manager, has indicated he is in the market for a shortstop to replace Dick McAuliffe, saying he wanted to move McAuliffe to second base next season.

Wills, bothered by bad knee last season, trained with the Tigers in the spring of 1966 on a conditional purchase from the Dodgers, but the slender infielder did not impress Detroit and was returned to Los Angeles.

Wills since has sparked the Dodgers to four National League pennants. At 34, Wills base-stealing, once the scourge of the National League, slipped to 34 last year.

"Not only would we be giving away two years in age in a deal like that, but there is no guarantee that Wills is a full-time anymore," said Campbell.

"First they said he was going to have an operation to fix his knees," Campbell added. "Now they say he doesn't need one. Well, nuts to that."

Election Victors Outspend Losers

DETROIT (AP) — The four major candidates in Michigan's Nov. 8 election spent a total of more than \$1.2 million and the winners spent more than the losers, The Detroit News said today.

It said Gov. George Romney's forces spent about \$220,000 in defeating Democratic challenger Zolton Ferency, whose expenditure was listed as \$200,000 or less.

U.S. Sen. Robert Griffin reported spending about \$500,000 during a successful campaign against former Gov. G. Mennen Williams, who spent \$278,766 in the August primary, reported spending about \$350,000 in the general election.

Ferency, a loser by more than half a million votes, said his \$8,000 deficit was the smallest ever for a Democrat in a statewide election campaign.

Monday was the deadline for filing campaign expense accounts with the various county clerks. State Elections Director Robert M. Montgomery said it could be another week before the state has received and added up all the figures.

Montgomery said he had a complete report from only one

statewide candidate, Lt. Gov. William Milliken. Milliken, a millionaire who was elected automatically by the Romney landslide, reported spending just under \$1,492.

Party spokesmen said Williams put about \$150,000 of his own money into his campaign, which ran a deficit of some \$50,000.

They added Ferency wound up his unsuccessful campaign with \$12,000 in unpaid bills and \$4,000 in cash on hand.

Dobermans Smart

LONDON (AP) — Britain's police have decided to stop using Doberman pinschers, the fierce-looking German guard dogs, for police work.

After using Dobermans experimentally with a number of British police forces, they said today the dogs are too smart.

One dog handler commented: "An Alsatian will go for an armed man if I tell him to but a Doberman is likely to spot the gun and the potential danger and just sit down."

No point in Florida is more than 70 miles from salt water.
